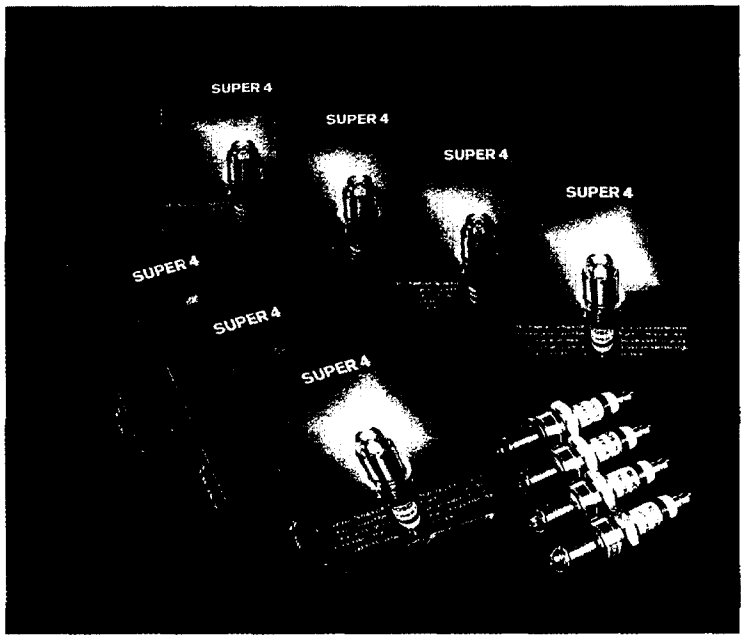
Bosch SUPER 4

Stunning Performance that gives you more

- **More efficiency**
  60% more efficient than conventional spark plugs.
- **More acceleration**
  Significant increase in acceleration.
- **More Starting Power**
  200% better cold start performance than conventional plugs.
- **More Protection**
  200% improvement in ignition ensures greater protection of catalytic converters.



Compact range of 17 part numbers covers over 92% of market.

Superior performance for the aftermarket developed from revolutionary O.E. technology.
